UPDATE on Letters to Board of Selectmen

Commissioners read several letters to the Board of Selectmen (BOS) regarding the Commission and the Manager. On information from Town Hall, tonight the BOS will formally forward this matter to the Commission for review and discussion.

Frank shared a letter he proposed to send to the individual members of the BOS, that would be identified as his opinions, not the Commissions, and was told that as long as it clear that it was not an official communication from the Commission, he was welcome to proceed.

There was discussion of using the format of Frequently Asked Questions to disseminate the facts from our point of view, to offset some of the misinformation that is spreading.

There was a discussion about the offer by the FRCOG to help with the investigation of "Development North".

Motion by Peter to adjourn, second by Frank, passed unanimously.

Meeting adjourned at 7:15 PM

Respectfully submitted: Peter Golrick
