

# Town of Montague Municipal Airport Commission

## Meeting Minutes

February 7, 2006

The meeting was called to order at 6:55 PM

Commissioners present: Brian Carroll, Peter Golrick, Mark Fairbrother, Frank (Mike) Sokolosky, Gary Collins

Others present: Mike Sweeney (Manager)  
Edward Dawson, Joe Janikas, Suzette SnowCobb, Walt Burnham, Peter and Patricia Conway, Chuck Meyer

This special meeting was held at Town Hall for the purpose of presenting to the people of Turners Falls and the public in general our proposal for improving the Airport. Due to some conflicting times posted, the meeting start was delayed from the 6:30 posted time to allow people that had been misinformed of a 7:00 start time, time to arrive.

Brian introduced himself, the other commissioners introduced themselves, and Mike Sweeney introduced himself. Brian then turned the presentation over to Mike.

After the presentation, questions were answered by Mike and the Commission. Questions and discussion focused mainly on noise issues, and cost to remove the land from FAA use.

Brian reminded the audience that Town Meeting has consistently requested and instructed us to become self-sufficient. This project not only improves safety but also gets us to the point of self-sufficiency.

**Motion** by Peter to adjourn, second by Frank, passed unanimously.

Meeting adjourned at 7:15 PM

Respectfully submitted: Peter Golrick
