### GALE REPORT

Brian Smith was unable to attend, report given by Mike Sweeney. Gale will provide a replacement contract for the delayed construction. NJ Tea scheduled to be planted this fall, seeds have been collected. Discussion of CIP items for MAC.

### MANAGERS REPORT

High Speed Internet was discussed. Gate 2 was discussed due to recent repeated failures, we'll keep a closer eye on it. The annual MAC Airport inspection was held, Mike has responded to all outstanding items by letter to MAC. Mike has spoken to another possible developer. Discussion of the NIT meeting at TF Green where the NIT expressed their unhappiness with the Timber Harvest project. They claim that we disturbed an area the neither we nor they knew about. NIT discussed civil and criminal charges, but no violation of Section 106 or other section regarding deliberate destruction was found by FAA.

**Security Subcommittee Update** – Frank met with Bob Escott (Emergency Manager). They checked the hangars and Bob would like the signs at the peak of the roof on the buildings. We felt that would be considered an unreasonable request by the tenants and an alternate location on a post outside the entry door was chosen for the 18x18 signs. Cost for the signs is about \$16, 9 would total \$142. **Motion** by Mark to authorize the spending for the hangar signs and other signs, second by Frank, motion passes unanimously. **Motion** by Frank to add the Perimeter Fencing to the MAC CIP list, second by Mark, motion passes unanimously.

**Pilot, Tenant, CSA** – No one present.

9:00 **Motion** by Mark to adjourn, second by Frank, passed unanimously.

Respectfully submitted: Peter Golrick
