GALE REPORT

No action needed this month.

MANAGERS REPORT

Met with Jim Senn (Gary was there too) to go over snow plowing. Met with ET&L at the offices of Town Counsel in Boston with Peter. We discussed the frustration with communications and the progress of the project. Contact with FCTS and GCC will lead to our participation in a non-credit course "Path to Aviation". The use of the Admin building was offered at no cost for the course to use 1 night per week for 6 to 8 weeks in the fall. Met with the Fire Chief about the burn plan proposal, he has no objection, and they discussed a possible future emergency exercise.

PILOT, USERS, PUBLIC

Bruce reports a major pooling of water near the 16 end; it's possible that there will be a small taxiway flood in addition to the area between the taxiway and 2 Pioneer rows. Mickey will meet with him and assess the situation.

SUB-COMMITTEE UPDATES

Discussion of rate setting process is tabled to next month due to lack of quorum for the subject. Security to check on 3 year limit – is it MAC or us? Discussion of cost of badges deferred until next month. Mike presented us a budget report. Peter will prepare a draft Annual report for next month.
