It is the contractor’s responsibility to provide accurate job site directions and arrange entry into locked buildings. If these are not provided and the inspector is unable to complete the requested inspection, an additional $50.00 per inspection trip will be charged.  
No requests for inspection will be accepted from persons other than the contractor to whom the permit has been issued.  
If the work for which the inspection is requested is not complete when the inspector arrives, an additional $50.00 will be charged for each additional inspection trip required.  
Any worked performed without a permit will be charged a fee equal to double the normal fee.
